Women's Autumn Suits

That Reflect the Youthfulness

That Is the Keynote of Today

—All the world is young. Never has the innate youthfulness of the modern woman been so cleverly revealed as in these stunningly designed models, so soft of fabric, and of line and of trimming.

—Of styles—three will predominate this season. The box coat that gives added charm to slenderness, coats in Spanish spirit, nipped in at the waist and flaring below, and long, straight models that do wonders for medium and heavy figures.

—We are talking prices thus early because we believe women want to know:

—Plain tailored suits of the new Erminie cloth in black, Malay brown and blue. Silk lined and interlined **\$75.00**

—Plain tailored mousseyne suits with long coat slashed at bottom and trimmed with rows of heavy silk stitching at **\$75.00**

—New model in brown mousseyne, made with front of coat in straight line and blouse back. Suit embroidered in self color and made with pockets at **\$98.50**

—Flare box coat suits of duvet de laine, beautifully embroidered and finished with large mole collar at **\$75.00**

—Fur-trimmed suits, a splendid assortment ranging in price **\$25.00 to \$149.75**

—Smart suits of tricotine and Poirer twills at **\$33.75 to \$65.00**

—Kann's—Second Floor.

Join Our Knitting Class

and Make a New Fall Sweater

—The Peter Pan Sweater Blouses are being worn very much, and one can be made for a little more than \$1.00, which is much less than you could buy one for already made.

—Then, too, knitting is quite a fad.

A CHRONICLE OF EVENTS WITH SIDE LIGHTS ON THE MEN AND WOMEN WHO MAKE UP WASHINGTON'S COMPLEX AND INTERESTING SOCIAL LIFE

WE are to have a bumper crop of autumn brides, and from present indications an early harvest. Congressman W. R. Green of Iowa and Mrs. Green are today announcing the engagement of their daughter, Miss Margaret Thorp Green, to Courtney Campbell, of New York. The wedding will take place on October 6, presumably in Washington. Congressman and Mrs. Green have an apartment in the Connecticut.

MR. and Mrs. Wilton J. Lambert have announced the engagement of their daughter, Miss Elizabeth Lambert, to Charles S. Baker, Assistant United States Attorney for the District of Columbia, and coupled the news with the announcement that the wedding will take place in the autumn. And Mr. and Mrs. Clarence Aspinwall have made known the engagement of their daughter, Miss Margaret Scoville Aspinwall, to Lieut. Carlisle Allan, U. S. A., son of Mr. and Mrs. Donald Budington Allan, of Omaha, Neb. This wedding will take place in November. Both Miss Lambert and Miss Aspinwall are young, scarcely out of the sub-deb class, and both are exceedingly popular with their playmates of the younger set.

Another engagement made known today is that of Miss E. Lydia Martin, daughter of Mr. and Mrs. Philip Martin, to Ralph D. Reeves. No definite date has been set for the wedding. Mrs. Nina Chinn Walker announces the engagement of her daughter, Miss Elizabeth Grimes Walker, to John Williams Davis. The wedding will take place in October. Miss Walker is a direct descendant on her father's side of Timothy Pickens, who held three Cabinet offices during Washington's Administration, and is a granddaughter of the late Rear Admiral John Grimes Walker, U. S. N., commander of the white squadron, and, after his retirement, president of the Isthmian Canal Commission. On her mother's side she is descended from Col. William Bell, of Virginia, and is closely related to Sir Alfred and Lady Kempe, of London. Miss Walker is a member of the Junior League.

Mr. Davis belongs to a prominent Virginia family. He is a graduate of Cornell University and, during the war, was captain in the air service. Another engagement of interest announced to day by Mr. and Mrs. Charles Austin Oberbach is that of their daughter, Miss Edna Oberbach, to William Charles Hooey, son of the late Charles Hooey and Mrs. Hooey, of Corning, N. Y. The wedding will take place October 17.

MISS ALICE VICTORIA LEITCH, daughter of Mr. and Mrs. Frank Paul Leitch, and William Edward Shivers, whose engagement was announced some months ago, will be married on October 6 at 3 o'clock in the Georgetown Presbyterian Church. Miss Leitch is the daughter of Mr. and Mrs. Frank Leitch, and comes of a family which has long been prominent in historic old Georgetown.

WORD has reached us here of an out of town wedding of considerable interest—the marriage of Miss Margaret Mottor, daughter of Dr. and Mrs. Murray Galt Mottor, of Washington, to Dr. Edgar G. Miller, of New York. This was the final event of the season at Lake Pocono, Pa., where the bride's family had been passing the summer.

The wedding took place just at dusk in the log-cabin living room of Pine Log Camp, which was lighted by the fire of tall candles against a background of hemlock boughs. The woods round about had been ravaged for the decorations of emlock and laurel, ground pine and lace ferns.

The bride, who was given in marriage by her father, and was married by the bridegroom's father, the Rev. Dr. E. G. Miller, of Philadelphia, wore ivory satin without a train. Her tulle veil was arranged on a cap of old point lace caught up with orange lilies of the valley and orange blossoms.

The maid of honor, Miss H. Virginia Galt, of New York, wore peach-colored organdie and carried pink roses, while the bridesmaids wore pale green. They were Miss Sigrid Edge, of Glen Ridge, N. J.; Miss Charlotte Washburn, of Cleveland, Ohio; Miss Frances Dennett, of Brookline, Mass.; Miss Katherine Thompson, of Lewiston, Pa.; Miss Amy Briggs, of Brooklyn, N. Y.; and Constance Sargent, of Galesburg, Ill.

The best man was Dr. M. Velen-tine Miller, of Philadelphia, brother of the bridegroom, while the bride's two brothers and Dudley P. Walker, of Bethlehem, Pa.; H. L. Van Richards, of New York; John J. Rich, of Pittsburgh, and Dr. Henry E. Marks, of New York, were the ushers.

Dr. and Mrs. Miller will reside in New York, where Dr. Miller is

a member of the faculty of Columbia University.

Cooldowns Off Again. The Vice President and Mrs. Coolidge, who just returned last night from Massachusetts after an absence of six weeks, will leave tomorrow for Pennsylvania with their two sons, John Coolidge and Calvin Coolidge, Jr., who they will place in school.

The Postmaster General, Will H. Hays, expects to go to New York Saturday, September 17, to attend a meeting of the postal commission for a discussion on matters pertaining to the New York postoffice.

The Secretary of the Navy, Edwin Denby, will go to Asbury Park, Thursday, September 15, to make an address.

The minister of Poland, Prince Lubomirski, is expected to return Wednesday or Thursday from Newport, where he has been for the last few weeks with Princess Lubomirski, who will remain until the end of the month.

Constantine Brun, minister of Denmark, has been spending the summer at Bar Harbor, is expected to return within the next two weeks.

Miss Ellen Bruce Lee, daughter of Mr. and Mrs. Arthur Lee, will return from the West next week and will enter Vassar College as a senior September 23. Miss Lee has spent the greater part of the summer at Elkins, W. Va., and accompanied her parents to the West a few weeks ago, where they joined her brothers.

Mr. and Mrs. Donald Alexander are receiving congratulations on the birth of a daughter on Sunday, August 28, at Chestnut Hill, Pa. Mrs. Alexander was formerly Miss Elsie Downing.

Mrs. Richard H. Jeschke, wife of Captain Jeschke, United States Marine Corps, who with her two children has spent the summer with her parents, Dr. and Mrs. John Ryan Devereaux, at Chevy Chase, will sail Thursday to join her husband, who is now stationed at the Virgin Isles.

Mrs. Montgomery Blair and her daughters, Mrs. Richard C. Holaday and Miss Virginia E. Blair, who are motoring in New England, spent the week end at the Hotel Elton, Waterbury, Conn.

The Minister of the Serbs, Croats, and Slovenes and Mme. Grouitch are expected to arrive in Washington about September 18, after spending several months at their home and traveling on the Continent. They

will make a short visit in England before sailing for New York.

Mrs. Frances Graves Hill, accompanied by her daughters, Frances Hill Hart and Miss Cathleen Hill, have gone to New York to bid farewell to Mrs. Hill's son and daughter-in-law, Mr. and Mrs. James Monroe Hill, who will sail shortly for Manchester, England, where Mr. Hill has been transferred from Kingston, Ontario, as American vice consul.

Mr. and Mrs. Hill were recently married, and he is well known in Washington and served in the American army overseas.

Mrs. Hill and her daughters will go to White Sulphur Springs for part of the fall season. A ball and pageant impersonating the different nations represented at the limitations of armament conference will be given in the New Willard Hotel the night of November 16, by the board of governors of the Woman's National Foundation. Plans are being made to make the ball one of the most brilliant of the winter season. The delegates to the conference and other distinguished visitors will be invited. Mrs. C. C. Calhoun, president of the Woman's National Foundation, will shortly appoint the chairman of the ball committee, and Mrs. Marie Moore Forrest will be in charge of the pageant features.

Associate Justice of the Supreme Court and Mrs. Louis D. Brandeis, who have spent the summer at Woods Hole, are to close their cottage there in a few days and return to Washington in time for the autumn session of the court.

Senator and Mrs. Arthur Capper are guests of Senator and Mrs. Medill McCormick at their country place at Byron, Ill. Senator and Mrs. Capper spent the previous week-end with Congressman and Mrs. Ira Copley at Aurora, Ill., and will return to Washington on September 21, spending a few days at their home in Topeka, Kan., en route.

Miss Rena Sanger Married.

Mrs. Raphael Sanger announces the marriage of her daughter, Miss Rena Sanger, to David S. Block. The wedding took place yesterday at the home of the bride, 2714 Ontario road, the Rev. Abram Simon officiating. Following the ceremony Mr. and Mrs. Block left for New York, and will sail on the Aquitania on Tuesday for a tour of Europe.

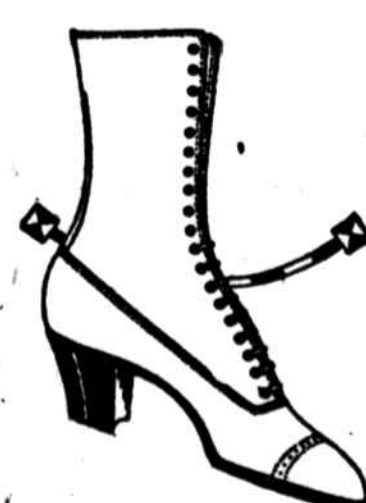

Mrs. Mary E. Ganzhorn announces the marriage of her daughter, Miss Margaret R. Ganzhorn, to Arthur H. Curtis on September 7 at Rockville, Md.

What Is the Cause of Fallen Arches?

Very few women know the reason, and it's no wonder that many fall heir to this and other foot troubles.

"The foot is a flexible structure made of twenty-six bones held together by tendons and controlled by a system of muscles. The ability to carry the entire weight of the body on this seemingly fragile bone formation is due to the structure of the arches. The strength of the foot is maintained by allowing the foot muscles free action. When the shank of the shoe is stiff, this natural movement is prevented and the muscles deteriorate from disuse. The shank should be flexible."—Augusta Rucker, M. D., in January McCall's.

Let us add that all ordinary shoes have a stiff shank. There is a piece of metal embedded and concealed in the sole in front of the heel.

"Weak arches" mean weak arch muscles, caused by the restraint of stiff shank shoes combined with what DuMaurier, the French novelist, called "a high heel and a ridiculously pointed toe—mean things, at the best." The foot arch falls when the deteriorated muscles and tendons no longer hold the bones in place.

To Prevent, to Correct Weak Arches
The Cantilever Shoe

is recommended by hosts of foot experts who have endorsed it, and by thousands of women who are wearing it.

Cantilever Shoes have flexible shanks, good heels rightly placed; a natural contour and room for the toes without crowding. They permit Nature to keep you well, guarding you against foot troubles and the bodily ills that often follow. They give you wonderful ease and help you get more enjoyment out of life. The arch muscles are exercised and strengthened by the mere act of walking. The circulation of the blood is stimulated. The foot, being unrestrained, enjoys comfort.

Cantilever Shoes are made on graceful lines, in a variety of leathers, and our conscientious fitting service awaits you. Prices are reasonable. Change this week to Cantilever Shoes and you will always be glad. For Men and Women.
